## Meet The Student Leaders

Pictured above are the Key Stage 4 student leaders of 2017-2018.

The students were selected to take a prominent and active role within the academy, representing students, providing leadership and acting as role models.

Taking on the top roles are the executive executive leaders—Henri Armstrong, Raihana Ismail, Alex Adam and Fabrice Laws.

The other 20 student leaders are: Kenna Diston, Emily Baker, Richard Smith and Sonyta Tiev (charity); Tevin Chihata, Andrei Stuparu, Matt Flanagan and Jack English (community); Jared Van Hoof, David Jeffereys, James Coveney, Aiden Barnsdale and Patrick Dunckley (sport); Mantas Peldzius, Graham Cotton, Ben Taylor and Alex Phillips (academic); Will French, Callum Rhodes, Runjie Wei and Aaron Ayres Hunt (engineering).

## Year 10 Changes

Now that we have taken time to get to know students in year 10, it is appropriate for changes to be made to their English, maths and science classes. We have reviewed all data available for each student and sought advice from subject teachers before making these changes. Students will be able to collect their amended timetable, which details their new classes, on arrival on Monday 30th October.

## Open Day Proves A Hit

The academy held its most popular open day to date on Saturday, when more than 700 people visited to find out about joining in 2018 and beyond. They experienced activities including Virtual Reality headsets, engineering, remote control cars, explosive science, satellites and a murder mystery. Academy staff would like to thank all students who volunteered to help out on the open day by taking families on tours, speaking to prospective parents and students, answering questions and speaking about their studies and experiences at WMG Academy.

## Message From Student Leader

One of the academy's new Executive Student Leaders would like to share an introductory message. Raihanna Ismail said: "The upcoming year at WMG Academy has the potential to be a year packed full of firsts for the school and opportunity for everyone. Personally I want all the students to be able to enjoy their time and their learning here. This will mean a positive attitude all round."

## Appointments

Any student requiring absence from the Academy for non-emergency appointments must provide an appointment card or hospital letter in advance of the appointment date. A copy of the appointment card/letter will be made and kept on the student's personal file. We ask that all reasonable efforts are made to book an appointment out of academy hours.

## School Nurse

The school nurse will be in the academy on Wednesday 1st November, during lunchtime, to promote the services available to students during future school nurse drop in sessions. Coventry School Nursing Parentline is an out of school hours service available to parents/carers who would like to discuss any child health concerns. You can access this service between 5pm-8pm-Monday to Friday. Call 01926 626590.

## Getting To Grips With Climbing

Students had their first rock climbing session at the University of Warwick climbing centre last Friday (October 13th).

Year 10 and Year 11 students, supported by some Year 13 students, will continue with the activity weekly until Christmas as part of the academy's enrichment programme.
