We are looking for an enthusiastic and flexible person to join our team. The successful candidate will develop relationships with business partners and provide support for students with their future Apprenticeships and Degree courses. You will need to be professional, highly organised and motivated with the ability to develop successful relationships with a wide group of people.

As a small school, the concept of a 'family' environment is very important to us. Our staff are well looked after and genuinely work as a team in an open-office environment. Student-staff relationships are excellent and there are multiple opportunities to work with both an array of business partners (including Jaguar Land Rover, Bosch, Balfour Beatty and National Grid) as well as the University of Warwick. All members of staff are affiliate members of the university and enjoy associated benefits.

Our Ofsted inspection of March 2017 has fully endorsed, across all categories, that we are a 'Good' school.
