

WMG Academy Vacancy Advertisement

Hiring: Teacher of Computer Science & IT | Location: Coventry

About Us

Having welcomed our very first cohort of Year 9 students in September 2026, WMG Academy Trust has reached an exciting milestone in our journey. Having Year 9 learners on site enables us to shape and strengthen our UTC curriculum even further, embedding our business-like, business-led ethos from an earlier stage than ever before.

WMG Academy is a thriving and welcoming establishment for aspiring young Engineers. With a strong emphasis on science, technology, engineering, and mathematics (STEM), we offer a distinctive curriculum that includes GCSEs (including core subjects), A Levels, vocational and technical qualifications, or a combined approach.

Due to our continued expansion and growth, a number of exciting opportunities have arisen across the Trust, including this role. This is a unique time to join WMG Academy and play a key part in shaping the future of Engineering, STEM, and Digital education.

Our career-focused approach to education is designed to engage students, helping them identify their strengths, reach their full potential, and confidently take their first steps into the world of work. From our business dress and structured working day to meaningful opportunities to collaborate with industry partners on real-life engineering and tech projects, our students experience an environment that mirrors the expectations of modern workplaces.

We're Looking For A Very Special Teacher of Computer Science & IT

In this role, you will deliver engaging, high-quality lessons across Key Stage 4 and Key Stage 5 (including GCSE, A-Level, OCR National/Cambridge Technicals, and T-Levels). You will play a vital role in embedding work-related, real-world tech applications into our integrated employer-led curriculum, working alongside global industry partners like Jaguar Land Rover, National Grid, and Rolls-Royce.

You Will Have:

1. **Qualifications:** Degree (or equivalent) in Computer Science, IT, or a closely related discipline. Qualified Teacher Status (QTS) is required.
2. **Experience:** Proven record of success teaching Computer Science/IT or relevant industrial experience delivering digital training/education.
3. **Pedagogy & Knowledge:** Excellent subject knowledge across programming, computational thinking, and digital systems, with strong expertise in relational practice and adaptive teaching strategies.
4. **Values:** Dedication to inspiring young minds (Years 9–13) while embodying our core values: *Professional, Aspirational, and Respectful*.

What We Offer Staff

- **Development:** Ongoing accredited training and sponsorship for extended skills qualifications.
- **Work-Life Balance:** Generous PPA time and flexible/hybrid working where possible.
- **Wellbeing:** Comprehensive program including physiotherapy, counseling, and VivUp scheme perks.

- **Rewards:** £250 Staff Recruitment Referral scheme and a competitive pension.

Please review the job description and person specification for further information about the role.

Key Dates

Proposed Start Date: **January 2027**

Application Process

To apply for this vacancy, please use the 'Apply for job' link below/complete the Application Form fully and return this to coventryrecruitment@wmgacademy.org.uk

You should ensure your application form and supporting statement address all elements of the person specification. We will only consider candidates who meet the vast majority of the essential criteria outlined in the person specification.

Our Commitment

WMG Academy is committed to safeguarding, safer recruitment and promoting the welfare of pupils. Our comprehensive recruitment and selection processes aim to discourage and screen out unsuitable applicants. Successful candidates are subject to rigorous pre-employment checks. You will be required to provide evidence of identity, right to work in the UK, complete an enhanced DBS clearance and provide proof of professional qualifications. Online searches will be carried out as part of the recruitment process. This position is exempt from the Rehabilitation of Offenders Act

We are equally committed to eliminating discrimination and encouraging diversity. We aim for our workforce to be representative of society and that each employee feels respected. We oppose all forms of unlawful and unfair discrimination.
